

# Owl news

## Summer term!!

We are now in our final term of the school year! It is hard to believe how fast the year has gone. This term is, however a very busy one with lots of exciting things happening. This term our work will be based around the topic of **Goldilocks, bears and picnics**. The children will be acting out and retelling the story, planning a picnic and inviting their own bears to school. Please check bags for notes and messages.

In Maths we will be:

- Solving maths problems
- Using money to buy objects
- Writing numbers correctly

Nursery will be:

- Making patterns
- Recognising and matching numbers
- Counting different things such as claps and hops

In Literacy we will be:

- Retelling stories
- Making information sheets
- Reading signs and labels
- Practising letters

Nursery will be:

- Practising letters
- Giving meaning to marks
- Writing in different ways

Within our curriculum we also have an RE topic of the term.

Our RE topics this term are :

Nursery— Special words

Reception - Being responsible

We also promote our school values through our worship. This terms value is **Hope and happiness**.

Sports week is June 26th. All children will need a named kit in school as we will be completing different sporting activities before sports

### Support at home

In this final term we are continuing to encourage Reception children to complete their work independently in readiness for Year 1. Please continue supporting them at home by:

- \* Encouraging them to write sentences by themselves
- \* Going over all words and sounds and checking they are applying them as they read and write
- \* Practising forming numbers and applying number skills
- \* Sharing reading books regularly

Thank you for your support.

Oscar owl will be making his final weekend visits before he has a rest over the summer. Please encourage the children write a sentence about their weekend. They love reading out their own sentences.

### Family learning

Thank you for your support completing activities sent home.

- Please complete and return in the folders each week
- Use pencil to complete activities
- Send in any leaves for the Tremendous tree.
- Send in photos of your children using technology for a purpose at home.

Now the hot weather has arrived please ensure your child has a sun hat in school and that suncream is applied before school.
