

Owl news

Welcome to Owls class!

It was lovely to see so many happy children enter school this morning ready to start their learning journey.

Welcome to all our new children and welcome back to those previously in nursery. The children seem to have grown so much over the summer.

Our topic factsheet is sent out each half term to give you an outline of things that will be happening during the term. Please check school bags as we often send out additional notes as the term goes on. We also use text message as a quick way of sending messages.

Each term we base our learning and activities around a topic. The main topic is '**Marvellous me!**'. The children are encouraged to think about ideas for their learning but we will also be thinking about our families, school, keeping healthy and Autumn.

As part of our curriculum we also have an RE topic of the term. This terms are :

Nursery— Ourselves and our friends

Reception - Me and my senses

We have milk and a piece of fruit during the school day.

During morning break toast is available . It would be appreciated if you could send in £1.25 each Monday if your child would like this.

It is school policy that children also bring a named water bottle for them to access throughout the day.

The children were fantastic at finding their names to put them on.

PE sessions

All children will need a named PE kit in school. PE days for this term will be Wednesday and Friday. Please encourage your child to have a go at dressing themselves as I'm sure you can imagine the fun we have when getting ready for PE!

Your children will be bringing a reading book home. Please share these as regularly as possible and sign the reading diary. The children will be encouraged to change their own books each morning. Over the next few weeks we will be assessing the children's reading levels.

Our class owl, Oscar, is sent home on a Friday with a different child each week. We would be grateful if you would write a short diary of Oscar's time with you and put in any pictures you may take. This is then shared to the class on Monday. The children love this and are always excited to see who takes him each week!!

As mentioned at our new parents evening it is important that your child's learning is extended out of school. Please complete the leaves with any wow moments or achievements your child has away from school. These are then shared with the class and put on our 'tremendous tree'. Thank you for your support on this.

Reading fun!! Can you send in a photograph of your child reading a book in an unusual or different place? These will then be displayed in our class reading garden.

As Autumn approaches it is becoming slightly chilly. We are outside come rain or shine so please ensure your child has a coat in school each day.
