Week 5 Update

Dear Parents,

We have now walked over **20 million** steps and we have passed our third destination -The Taj Mahal in India! We are now on our journey to our final stop, 'Christ the Redeemer' all the way in Brazil!

Well done to those that continue to bring in their form every Monday. You should now log your steps using the new tracking sheet. If you have misplaced yours, ask your teacher for a new one. Only a few more weeks to go!
