Friday 9th June 2017

## Welcome back....

Welcome back after the half term break.

Last half term was an incredibly busy one and we have lots more planned for the final half term of this academic year!

Over the forthcoming weeks you will receive your child's Annual Report, alongside important assessment information, particularly for those children in Reception, Year 1 and Year 2 who have been assessed against national standards in terms of the Early Learning Goals, Year 1 Phonics and statutory assessment at the end of Key Stage 1 (Year 2).

There will also be an opportunity to meet with class teachers and look at children's work completed throughout the year on Tuesday 18th July.

Before then we have Sports' Week to look forward to, including our Sports' Afternoon on Friday 30th June which you are very welcome to join us for.

Please refer to the calendar on the school website for important dates and upcoming events.

## Year 1 Phonic Assessment

Throughout next week, Mrs Manlove will be administering the National Phonic Screening Test to all children in Year 1.

The results of the assessment will be included in children's Annual Report.

## Year 2 Statutory Assessment

Well done to our Year 2 children who have worked incredibly hard as they have now completed the End of KS1 tests. Again, teacher assessment results will be reported to parents in their child's Annual Report.

## Hedgehog's Sunflower Competition

As part of their learning in science, children in Year 1 & 2 took part in a competition to see who could grow the tallest sunflower!

Thank you for supporting your child in Competition.

The sunflowers have been measured and the winner was ....

Macauley Wood at a whopping 98cm!

Well done Macauley!!

## Year 4 visit to Lichfield Cathedral

Just before we broke up for half-term, as part of their learning in RE, children in Year 4 took part in the 'Inspire Project' at Lichfield Cathedral.

Thank you to Rev Irene Smith, Mrs James and Mrs Moran who accompanied the children.

Following the visit, Benjamin (Y4) wrote:

*We started with a tour of the cathedral. Following that we had to make things out of play-doh—we had to make a tower 1m tall, it was really hard!*

*After lunch, we had to write a letter to our future selves, weird! I also learned that when St. Chad died, he had a skull made out of gold! My favourite part was making the prayer bracelet.*

## Walk the Wonders of the World Challenge

A reminder—PLEASE BRING IN YOUR RECORD CARDS ON MONDAY! The steps will be added up on Monday and a we will have a progress update!! Keep walking.....!

## PTFA Sponsored Walk

A reminder - come and join us at JCB Lake on Sunday for our Sponsored Walk at 2.00pm. Make sure you remember your pedometers and record those steps!!!!

If the walk has to be cancelled due to inclement weather, parents will notified via text message.

Happy walking.....!
