

Paralympic themed Sports' Week 2017

Using our Government's Sports Grant, we were thrilled to be able to provide all our children a variety of opportunities to experience different sports which compete at the Paralympic Games.

All the activities were led by bought-in specialist coaches who were extremely knowledgeable in their respective sports. The children loved taking part in Boccia, New Age Curling and Wheelchair Basketball.

It was lovely to be joined by so many Parents and Friends as we ended our Sports' Week with our Sports' Afternoon last Monday. The children showed great sporting behaviour, together with an immense competitive spirit (particularly when competing in the tug of war and the whole school relay!!).

Congratulations to the Cherry Team who were this year's winning team!
