## Paralympic themed Sports' Week 2017

With the World Para Athletics Championships being held in London next month, we are marking the event with our own Paralympic Sports' Week. Using our Government's Sports Grant, we are planning to give the children a variety of opportunities to experience different sports which compete at the Paralympic Games.

All the activities next week are being led by bought-in specialist coaches who are extremely knowledgeable in their respective sports. The timetable for the week is as follows:

Monday	Boccia
Wednesday	New Age Curling
Thursday	Wheelchair basketball

.....finishing the week with our Sports' Afternoon on Friday at 1.15pm. Gates will be open from 1.00pm.

We look forward to welcoming families and friends for our Sports' Day. The children have been busy learning a new routine for the Opening Ceremony and will be ending the Day with a gigantic relay involving the whole school

It is essential that all children have their PE kit in school every day next week - black shorts, white t-shirt and a pair of trainers. Long hair needs to be tied back and children need to bring a water bottle each day.

Thank you.

## **PTFA Meeting**

The PTFA are busy planning for our Summer Fayre on Friday 7th July. Families can help by donating items for the fayre next Friday. Children are welcome to come into school in non-uniform and bring along a donation for one of the stalls.

There will be a PTFA meeting next Wednesday 28th June in school at 5.30pm. All parents are welcome to attend.

Thank you for your support.

## Chartwells School Meals

Particularly during the recent hot weather, at lunchtime, more and more children have preferred to choose the sandwich option instead of a hot dinner. The catering staff were preparing a limited number of sandwiches per class, however, due to such high demand, from next week children will have the opportunity to choose either a hot meal or a sandwich meal.

When staff take the dinner register in the morning, those children having a school prepared lunch will be asked if they want the day's cooked meal or a sandwich meal. There will be a choice of 2 fillings on offer each day. Each sandwich meal comes with a choice of drink, a pot of fresh fruit or vegetables and either a cake or biscuit.

We hope as many children as possible take advantage of the Universal Free Meals which are still being funded for by the Government for children in Key Stage 1: Reception; Year 1 and Year 2.

## **Walk the Wonders of the World Challenge**

A reminder—PLEASE BRING IN YOUR RECORD CARDS ON MONDAY! The steps will be added up on Monday and we will have a progress update!! Keep walking.....!

## **PTFA Sponsored Walk**

Thank you to all those families who took part in the Sponsored Walk around JCB Lake. The total raised will go towards our target to purchase a class set of laptops ... we're nearly there!!
