Thursday 17th April 2018

Welcome back....

Welcome back after the Easter break. We have a very busy Summer Term planned ahead. Please look out for the curriculum information sheets sent by class teachers this week. They give a valuable insight into not only the curriculum coverage for the term ahead, but also ideas on how Parents may be able to support their child's learning at home.

We have educational visits planned this term— Year 1 & 2 are today visiting Warwick Castle and children in Years 3 and 4 will be taking part in a residential visit to Laches Wood.

A huge thank you to the PTFA committee members for agreeing to help support the funding of our educational visits. Their contributions towards transport costs are vital if we are to continue to take children out of school and offer them rich, exciting experiences which enhance the school curriculum and bring learning to life!

Rotary Club of Uttoxeter Handwriting Competition 2018

As you may have seen during the holidays, our handwriting competition finalists had their entries displayed in Tesco, Uttoxeter. I am delighted to share with you that Olivia Keeling's entry was judged as 'Highly Commendable'. Olivia has now been invited to attend an award ceremony celebrating the achievements of the winners!

Well done Olivia!

Baby News!!

Huge congratulations to Mr & Mrs Manlove who celebrated the birth of their son on the 11th April!

All are well and enjoying their time together as now a family of 4!

We are delighted to have now gone live with our new catering partners 'Aspens'. Information will be sent to Parents shortly giving details of the new catering service, the menus and the Aspens App - allowing Parents to view daily menu choices, nutrition information and produce sourcing directly from their mobile devices!

See below for a snap shot of what a typical daily service looks like:
