PTFA Film Night

Thank you very much to our PTFA Chair, *Laura Goodhew*, for organising all the refreshments for our recent Film Night. The children thoroughly enjoyed tucking into their pre-ordered snacks as they watched the film. A big thank you also to our staff who supervised the event on the night!

Stoke City 7's

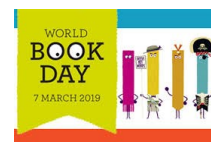

As you are aware, we welcomed representatives from Stoke City FC into school recently as they launched their City 7's initiative at our school. All our Year 2 children were given a 'goody bag' containing a Stoke Shirt, complimentary match day ticket and a sports bag.

Stoke City have today collected your orders for discounted match day tickets. Please note that tickets will be posted directly to parents.

World Book Day

We had a lovely afternoon yesterday sharing the children's 'prop-boxes' and from them, guessing their favourite book or character! A lot of effort obviously went in to gathering & making the props - thank you for your help!

Each child was given a World Book Day Voucher - please visit a book store or one of the major supermarkets to exchange your voucher for one of the 8 free books on offer this year.

Phoenix Film Shoot

We were joined by a professional filming company yesterday who have visited each of the 7 schools within the Uttoxeter Learning Trust. Once edited, the footage will play a vital part in the design of a brand new Uttoxeter Learning Trust website.

The new website is due to be launched in the Summer term!

ASPENS LIVE COOKING EVENT

We are looking forward to welcoming our Catering Company Aspens next Wednesday. The children in all classes will be taking part in a Live Cooking Event. Emphasis will be placed on how food is prepared, cooked and what constitutes healthy food choices.

Online Safety Advice for Parents

Last term, we invited representatives from the NSPCC in to school to deliver a 'Stay Safe, Speak Out' assembly followed by a Parents Online Safety Workshop.

Following on from feedback received from Parents who attended, we have recently subscribed to Knowlsey City Learning Centres' Online Safety Newsletter. This provides Parents with regular advice, guidance and updates on how to keep their children safe whilst online. The information relates to children of all ages and we very much hope that parents welcome this monthly newsletter.

We have also subscribed to a version for Teaching Professionals which is designed to update all staff with some of the latest research and resources to support the delivery of online safety in schools.

We would welcome any feedback from Parents regarding the Monthly Newsletter in order to help us in deciding whether to continue with the subscription in the future.

Thank you.

COMIC RELIEF DANCEATHON

The School Council met last week to decide on how we will support this year's Comic Relief which takes place next Friday 15th March.

Please see the flyer sent to Parents today with details of our 'Red & Ready to Rock' Day!!!
