Dear Parents & Carers,

The report of our Statutory Inspection of Anglican and Methodist School (SIAM's) has now been published. It gives me great pleasure to attach the full report.

The school was inspected over the areas of: Distinctiveness and effectiveness as a Church School; impact of collective worship; effectiveness of RE; the effectiveness of Leadership and Management.

The Inspector concluded the following:

Distinctiveness and effectiveness as a Church School: **Good**

Impact of collective worship: **Good**

The effectiveness of RE: **Good**

The effectiveness of Leadership & Management: **Outstanding**

Please take time to read the report. I am delighted that the Inspector saw our school as we see it every day. In partnership with Parents, the report recognises the dedication and hard work of all our staff and governors to achieve the very best outcomes for all our children. The children, as they are every day, are a true credit to parents and the school alike.

Finally, thank you for supporting us as we continuously strive to achieve the very best we can for all the children of our school.

Best wishes,

Paula Snee
